ADDITIONAL INFORMATION

- Technical Skills: Python, HTML, CSS, SQL, Java, JavaScript, React, Node.js, Tableau, Rhinoceros 3D, Microsoft Office
- Fluent in English and Mandarin (spoken & written)

LETTER OF RECOMMENDATION

Date: 10th January 2023

To Whom It May Concern:

Ms Liu Zhen was chosen among 4 applicants for the internship position of Data Analyst in Wistech Consulting Pte Ltd since September 2022. Prior to her time in Wistech, Liu Zhen has shown deep interest in the e-Commerce and Retail Industry and has been self-studying in preparation for the internship.

Liu Zhen is an incredibly dedicated and proactive individual with a wealth of potential. She is a fast learner and excels at using her logical mind to solve problems and improve efficiency. During her internship, she actively sought to expand her knowledge of industry analysis beyond her on-campus education, and also effectively applied what she had learned in her previous coursework. Some of the projects she completed during her time with us include market basket analysis, stock time series forecasting, customer churn prediction, cohort analysis, and managing daily inventory stock counts. Her work has laid the foundation for Analytics in Wistech.

Liu Zhen was a valuable and reliable member of our team, consistently demonstrating a strong work ethic and a constructive attitude. She quickly gained the respect and trust of her colleagues and was praised for her eagerness to learn, collaborative spirit, and fast learning ability. She also showed her attention to detail in streamlining our company's sales data.

Given her dedication, competence, and friendly personality, I have no doubt that Liu Zhen will excel in any academic pursuits she chooses to pursue. I wholeheartedly recommend her for graduate studies and any other endeavors she may pursue. Should you require more information, please feel free to contact my mobile at +65 9669-1626.

Yours faithfully,
For and on behalf of Wistech Consulting Pte. Ltd.

Reeve Liew
Director
